## Final announcement of SQM2022

### Welcome to Busan!

It's really nice early-summer days (18-25°C) in Busan.

We really hope you enjoy the conference with active participation. Please, contact us under [sgm2022@hipex.phys.pusan.ac.kr](mailto:sgm2022@hipex.phys.pusan.ac.kr) for any help.

We've now finalized our program, you can see the program book [here](#). (Some last-minute changes are not applied. Please see the [indico page](#) to have updated info.)

### Participants in-person

Please, read carefully and follow the travel instructions before and after your arrival, (<https://sgm2022.pusan.ac.kr/pages/travel-info/covid19/>), don't forget to reserve your arrival PCR test (at Incheon airport) especially regarding the COVID-19, and **take**

---

**enough time (> 2.5 hrs)** from the ICN (Incheon) international airport to the GMP (Gimpo) domestic airport/Seoul Railway(KTX) station:

- Immigration process with showing your QR Code : 0.5 hr
- Arrival PCR test at the COVID-19 Test Center : 0.5 hr
- Transport from ICN to GMP/Seoul KTX station by airport train (AREX) : 1 hr
- Check-in your flight to Busan **at least 0.5 hr before**

After your arrival in Busan, please, see

<https://sqm2022.pusan.ac.kr/pages/travel-info/transport-information/>

If you have a visa waiver program, you also have to apply for K-ETA(Korean Electronic Travel Authorization) prior to **72 hours (at least) before the check-in of your flight**. You can apply for the K-ETA [here](#).

## Participants online

On June 09, an e-mail including the ‘zoom event invitation’ will be individually sent to your registered e-mail address. **Please, check your email, and let us know if you have any problems.** You may just click the web-link, and join the zoom event, SQM2022 – lobby, where you can find the sessions and the ‘expo’ for the posters.

## Speakers and presenters

Please, upload your presentation materials on the indico **at least 3 hours before your session**, and join the zoom session well ahead to let us know your readiness. **If your readiness wouldn’t be confirmed at the start time of the session, the talk could be just skipped by the session chair.**
